

# Lateral Use Daymarks

## SL-DM Series

### The Sealite Advantage

- Heavy-duty aluminum blank
- Marine grade powder coated
- Two mounting holes on center
- Scotchlite reflective vinyl border
- No charge customer numbering
- USCG 1NM sizes standard
- 36" x 36" port side in stock
- 48" x 48" starboard side in stock
- 1/2 sizes available for private aids
- Custom signage available

Sealite USA manufacture a large range of lateral use daymarks including USCG 1NM sized daymarks as standard.

Custom sizes and configurations are also available for private aids such as marina and yacht club use. These daymarks do not meet USCG standards for visibility size and are not accepted for PATON use.

Please check with your local regulatory agency to determine if USCG acceptance is required, or contact Sealite for assistance.
