## Sealite establishes Sealite Asia Pte Ltd.

Singapore – September 2016 – Sealite is pleased to announce the establishment of Sealite Asia Pte Ltd, a wholly owned subsidiary located in Singapore.

Through a local presence, Sealite Asia Pte Ltd will offer clients in the region greater access to Sealite products and services, and continue to support an active network of distributors and end users.

Sealite CEO Chris Procter commented *‘we have a long history of delivering projects in this territory, and the establishment of Sealite Asia will continue to build on these important relationships in this growing region’*

## Company Information

We believe **technology improves navigation**™

Sealite is a global manufacturer of marine aids to navigation. The company is headquartered in Australia, with manufacturing and office locations in Singapore, the United States and the United Kingdom.

The Sealite team is dedicated to servicing the marine industry through the efficient design and production of leading-edge products. Through close working relationships, maritime authorities and private customers around the globe now trust Sealite to enhance the safety of their operations.

Sealite is committed to being environmentally responsible by providing clean, green, renewable energy sources with a minimal environmental footprint.
